

ANNUAL NEWS CONFERENCE

2025

Highlights: President's Presentation

A Strategic Vision Anchored in 3 Key Pillars

Innovate

Pioneering cutting-edge solutions & leveraging new technologies to address complex development challenges.

Transform

Reshaping processes and systems to enhance efficiency, inclusivity, and sustainability.

Thrive

Delivering tangible results that foster resilient and prosperous individuals, and communities.

Innovate

CDB will:

- Prioritise data for development as a key area for informed decision making.
- Leverage partnerships and create innovative financial products to mobilise resources.

CDB will drive progress in:

The Energy Transition

Addressing Food Security

Enhancing Education

ANNUAL NEWS CONFERENCE

2025

Highlights: President's Presentation

Transform

CDB will usher in a new age of implementation & delivery through:

Enhanced client focus

Discarding value-depleting layers

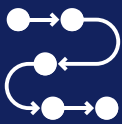

Increased emphasis on scale and impact of interventions

Thrive

The region will thrive when we have:

• Efficient Logistical Processes

• Region-wide Food Security

• Low Unemployment

• Declining incidents of violent crime

• High Human Development
